primary wordmark — Inter Medium, all lowercase. “ephemeral” in ink, “.team” in teal. never recolor, restyle, or capitalize.

the mark — the dissolve

the dot of “.team”, evaporating.
one dot, three particles — each half the size of the last, drifting along a single diagonal as they fade.

here for the work. gone when it’s done.

clearspace + minimum size

clear space = 2× the dot’s diameter, all sides.
minimum width: 120 px on screen, 30 mm in print.
below that, use the mark alone.

color

teal on light surfaces, teal bright on ink. accent only — the dot, links, one action per view. everything else stays quiet.

type — Inter

assembled to dissolve

Inter Medium — display, wordmark, headings. tracking −0.5%, always lowercase.
Inter Regular — body and interface text. sentence case, generous line height.
